

# Build-It Transmission Kits

## Dodge 1994-2002 47RH & 47RE

PART#	APPLICATION	KIT FEATURES
1060610	1994-2002 47RH/RE Stage 1 Stock HP Kit	All parts to build stock unit including Overhaul Kit, Forward Friction, Rear Friction, Overdrive Friction, Overdrive/Direct Friction, Front Steel, Front Steel Oversize, Overdrive Brake Steel, Overdrive/Direct Steel, Hi Energy Band, Pump Bushing, Front Clutch Bushing & Heavy Duty Band Strut- no electrical parts included, valve body sold separately
1060611	1994-2002 47RH/RE Stage 2 Intermediate Kit	Overhaul Kit, High Energy Band Friction, Overdrive Apply Frictions increased from 5-6, Overdrive/Direct Friction, Front Steel, Overdrive Brake Steel, Overdrive/Direct Steel, Direct Frictions increased from 4-5, Direct Steels (Oversize), Forward Frictions increased from 4-5, Heavy Duty Band Strut, Pump Bushing, Front Clutch Bushing, Billet Band Anchor, Modified Direct Clutch Piston, Modified Direct Pressure Plate, Snap Ring, Lip Seals & Reaction Shaft Seals - no electrical parts included, valve body sold separately
1060612	1994-2002 47RH/RE Stage 3 Heavy Duty Kit	Overhaul Kit, High Energy Direct Frictions, Direct Frictions/Steels increased from 4-5, Direct Clutches, Forward Frictions increased from 4-5, Forward Steels, Overdrive Direct Frictions increased from 5-6, Overdrive Direct Steels, Overdrive Brake Frictions, Overdrive Brake Steels, High Energy Band, Heavy Duty Band Strut, Billet Band Anchor, Billet Accumulator Piston, Modified Direct Clutch Piston, Modified Direct Pressure Plate, Snap Ring & Overdrive Pressure Plate - no electrical parts included, valve body sold separately
1060613	1994-2002 47RH/RE Stage 4 Master Rebuild Kit	Complete BD modifications, gear train assembled prior to shipping, BD transmission pan, Overhaul Kit, High Energy Direct Frictions, Direct Frictions/Steels increased from 4-5, Direct Clutches, Forward Frictions increased from 4-5, Forward Steels, Forward Pressure Plate, Rear Friction, Overdrive Direct Frictions increased from 5-6, Overdrive Direct Steels, Overdrive Brake Frictions, Overdrive Brake Steels, High Energy Band, Heavy Duty Band Strut, Billet Band Anchor, Billet Accumulator Piston, Modified Direct Clutch Piston, Modified Direct Pressure Plate, Overdrive Pressure Plate, 4.2 Ratio Lever, Intermediate Shaft Washer, Servo Plug, Servo Stop, Pump Bushing, Front Clutch Bushing, Snap Rings, Bevel Spring, Piston Servo Cover, Overdrive Retainer, Teflon Rings & Servo Cover Ring - no electrical parts included, valve body sold separately

March 3rd, 2010 - Subject to change without notice

# Build-It Transmission Kits

## Dodge 2003-2007 48RE

PART#	APPLICATION	KIT FEATURES
1060615	2003-2007 48RE Stage 1 Stock HP Kit	All parts to build stock unit including Overhaul Kit, Forward Friction, Rear Friction, Overdrive Friction, Overdrive/Direct Friction, Front Steel, Front Steel Oversize, Overdrive Brake Steel, Overdrive/Direct Steel, Hi Energy Band, Pump Bushing, Front Clutch Bushing & Heavy Duty Band Strut- no electrical parts included, valve body sold separately
1060616	2003-2007 48RE Stage 2 Intermediate Kit	Overhaul Kit, High Energy Band Friction, Overdrive Apply Frictions increased from 5-6, Overdrive/Direct Friction, Front Steel, Overdrive Brake Steel, Overdrive/Direct Steel, Direct Frictions increased from 4-5, Direct Steels (Oversize), Forward Frictions increased from 4-5, Heavy Duty Band Strut, Pump Bushing, Front Clutch Bushing, Billet Band Anchor, Modified Direct Clutch Piston, Modified Direct Pressure Plate, Snap Ring, Lip Seals & Reaction Shaft Seals - no electrical parts included, valve body sold separately
1060617	2003-2007 48RE Stage 3 Heavy Duty Kit	Overhaul Kit, High Energy Direct Frictions, Direct Frictions/Steels increased from 4-5, Direct Clutches, Forward Frictions increased from 4-5, Forward Steels, Rear Friction, Overdrive Direct Frictions increased from 5-6, Overdrive Direct Steels, Overdrive Brake Frictions, Overdrive Brake Steels, High Energy Band, Heavy Duty Band Strut, Billet Band Anchor, Billet Accumulator Piston, Modified Direct Clutch Piston, Modified Direct Pressure Plate, Snap Ring, Pump Bushing, Front Clutch Bushing & Overdrive Pressure Plate - no electrical parts included, valve body sold separately
1060618	2003-2007 48RE Stage 4 Master Rebuild Kit	Complete BD modifications, gear train assembled prior to shipping, BD transmission pan, Overhaul Kit, High Energy Direct Frictions, Direct Frictions/Steels increased from 4-5, Direct Clutches, Forward Frictions increased from 4-5, Forward Steels, Forward Pressure Plate, Rear Friction, Overdrive Direct Frictions increased from 5-6, Overdrive Direct Steels, Overdrive Brake Frictions, Overdrive Brake Steels, High Energy Band, Heavy Duty Band Strut, Billet Band Anchor, Billet Accumulator Piston, Modified Direct Clutch Piston, Modified Direct Pressure Plate, Overdrive Pressure Plate, 4.2 Ratio Lever, Intermediate Shaft Washer, Servo Plug, Pump Bushing, Front Clutch Bushing, Snap Rings, Bevel Spring, Piston Servo Cover, Overdrive Retainer, Teflon Rings & Servo Cover Ring - no electrical parts included, valve body sold separately
